

RELEVANT INFORMATION

Regarding the application for authorization of a public offer to acquire ordinary shares of Grupo Nutresa S.A. subject to approval by the Colombian Financial Superintendent, and reported by this entity via the Relevant Information mechanism on November 10, in today's session, the Board of Directors of Grupo Argos S.A. agreed:

- To hire the consultants required to comprehensively analyze economic, legal, and strategic alignment aspects of a potential offer, as well as its effects upon the company and all its stakeholders.
- To center on the Company's CEO, or whomsoever he may delegate, the role of spokesperson regarding the recently known request for authorization for a public offer for acquisition.

As it always, has, the organization will act according to the best principles of transparency and good corporate governance, guided by our higher purpose of positively transforming the lives of millions of people through our investments.

Medellin, November 12, 2021.
