

SUSTAINABILITY POLICY

We transform capital into products and services in a responsible manner and with a long-term vision. Our conscious investments, our cutting-edge practices, and the responsible operation of all our businesses define us as a **business group of sustainable investments in infrastructure.**

We share an **ethical and transparent** act with our **stakeholders**, with whom we build mutually beneficial relationships throughout our value chain.

Our subsidiaries, while maintaining their individuality, share the sustainability objective as a common purpose.

CONSCIOUS investment

We invest in businesses that contribute to the solution of global challenges and ensure the long-term creation of value for the company, society, and the planet.

RESPONSIBLE Operation

We transform capital in a balanced way, aiming to minimize our negative impacts and maximize our positive impacts in economic, environmental, and social matters.

CUTTING-EDGE Practices

We develop innovative solutions with the aim to empower our current business models, while we capitalize on new investment opportunities.
