

RELEVANT INFORMATION

In response to the request made by the Company, the Financial Superintendence of Colombia canceled the registration in the National Registry of Securities and Issuers (RNVE) of the Commercial Papers that are part of an Emission and Placement Program (PEC). The Commercial Papers were issued on July 6, 2017 for an amount of \$ 350,000,000,000, and redeemed in full on July 5, 2018.

As it is an Issuance and Placement Program, the registration in the RNVE, of the issued securities that have not been redeemed and of the securities to be issued charged to the global quota of the PEC, is still valid.
