

RELEVANT INFORMATION

Pursuant to the authorization granted by the Board, the deed by which the purchase of the real estate assets of subsidiary Celsia S.A. located in the Centro Santillana building in Medellín worth of COP 62,416 million was completed was signed today. The said value was defined through the implementation of appraisals made by the independent firms Valorar S.A. and INDIRCO S.A.

It is worth noting that the main use of the above properties will be the same as given so far, which is the location of the administrative offices of the Company and of certain of its subsidiaries.
