

## RELEVANT INFORMATION

Being the confirmatory due diligence completed, this day Grupo Argos and Concreto have entered into a binding Master Agreement, which defines the terms and conditions of their alliance, including the rules for the assets contribution. This transaction brings to life the new Real Estate Fund.

The Fund is structured through a trust fund, which will be the owner of the assets and will be managed according to the instructions given by a professional manager, constituted as a company, in which Grupo Argos and Concreto have the same shareholding.

The Superintendence of Industry and Trade was notified of the transaction and, in its regulatory role, did not raise any objections.

The Fund will have an experienced group of people, composed by officers from both companies. Nicolás Jaramillo, who had been working as Vice-president of Projects and Investments, was designated as CEO of the Real Estate Fund.

The Real Estate Fund will have a total of 668,000 meters of gross leasable area, from which 448,000 are in operation and the rest is under construction or finishing the designs and studies phase.
