

RELEVANT INFORMATION

The Superintendence of Industry and Trade authorized the acquisition of an amount of shares, which enables Grupo Argos to reach a control position in Grupo Odinsa S.A. The authorization for the business integration is contained in the Resolution No. 36075, 2015

In the same act, the Superintendence of Industry and Trade imposed some conditionings not pertinent or not related to the integration itself; therefore, Grupo Argos submitted an internal administrative appeal for the removal or further explanation of those conditionings.

Once the authorization become final, the Company will proceed with the activities needed to acquire the required percentage to obtain a control position in Grupo Odinsa.
