

RELEVANT INFORMATION

Yesterday, it was reported that the General Prosecutor's Office received two complaints regarding alleged irregularities in two civil proceedings, one of which was filed by Grupo Argos S.A.

The lawsuit and the precautionary measures that were requested and decreed in the proceedings initiated by Grupo Argos S.A. are aimed at the protection of its rights as a shareholder of Grupo Sura S.A., against de facto actions carried out by three members of the Board of Directors of said company, who tried to adopt decisions without the legal and statutory majorities.

Both the lawsuit and the precautionary measures requested by Grupo Argos S.A. and judicially decreed are appropriate in accordance with the legal system.

The company trusts in the institutions and will continue to exercise in a loyal manner all the rights conferred by the Constitution and the law.
