Relations of the Board of Directors with the Statutory Auditor, financial analysts, investment banks and rating agencies during the year

In March 2023, the Shareholders Assembly elected KPMG S.A.S. as Statutory Auditor for the period from April 2023 to March 2024 with an allowance of \$214,224,000 plus VAT payable in four quarterly installments. During the year, the Statutory Auditor participated in the Audit, Finance and Risk Committee, where he presented the audit activities plan and its follow-up.

On the other hand, during the period we had the assistance of different investment banks for the evaluation and structuring of projects, as well as for the analysis in the decision-making process, among which J.P. Morgan stands out. Likewise, Bain & Company provided strategic advice with the accompaniment of an external legal advisor.

During 2023, the rating agencies BRC Ratings (S&P Global S.A.) and Fitch Ratings published their technical document through the Relevant Information mechanism, in which the AAA rating of Grupo Argos was ratified with a stable outlook.

The opinions issued by these agencies can be consulted in the Relevant Information on the website of the Finance Superintendence of Colombia www.superfinanciera.gov.co.

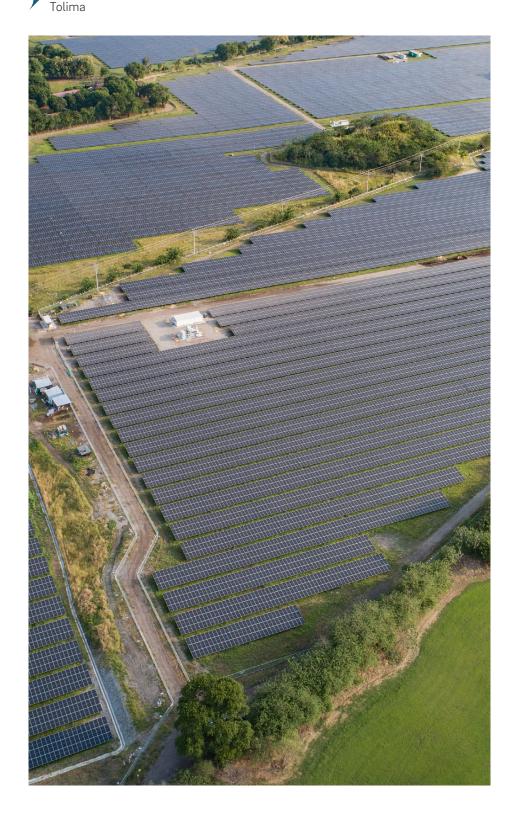

Management of the Board of Directors' **Information**

In 2023 the company delivered to the Directors the necessary information for the fulfillment of their functions through e-mail and continued to make use of the Board of Directors' website that allows storing and sharing all the necessary information for the proper operation of the Board of Directors' meetings.

Directors Senior **Management Compensation Scheme**

The compensation scheme for the Board of Directors established in the Policy for Appointment, Compensation and Succession of the Board of Directors, approved by the Shareholders Assembly, states that the Directors will receive for their services a compensation composed of the following elements: (i) a fixed fee per Board of Directors' meeting attended, whose value will be determined each year by the Shareholders Assembly; and (ii) a fixed fee per meeting attended of the Board of Directors' Support Committees, whose value will be determined each year by the Shareholders Assembly.

For the period from April 2023 to March 2024, a fee per Board of Directors' meeting of \$10,000,000 and a fee of \$10,000,000 per meeting attended by the Support Committees was established.

The compensation of the Directors takes into account the structure, duties, responsibilities and time dedicated to the Board of Directors and its Support Committees.

The compensation of Senior Management is comprised of a fixed component and a short and long-term variable component, which are tied to the company's performance.

Evaluation processes of the Board of Directors, its Support Committees and Senior Management

Board of Directors and its Support Committees

The Board of Directors is evaluated annually, alternating the external evaluation with self-evaluation. This evaluation is carried out in accordance with best corporate governance practices and allows the Board of Directors to monitor its operation and maintain its performance.

For 2023, the evaluation of the Board of Directors and its support committees was carried out with external advisors, Governance Consultants S.A.

The fundamental purpose of this system is to unify the control culture and ensure the efficiency and effectiveness of all operations of the company and its affiliates.

OPERATIONS WITH RELATED PARTIES

For this purpose, there is a structure comprised of management, the Risk area, the Compliance area, the Internal Audit, the Statutory Auditor and the Audit, Finance and Risk Committee, who participate in the management of the internal control system in accordance with their roles and responsibilities, pursuant to the Company's Bylaws, the Code of Good Corporate Governance, policies and other company procedures.

Internal Audit prepares its work plan considering the risks and business processes and submits it to the Audit, Finance and Risk Committee for approval and follow-up during the year.

During 2023, management, the Risk area, Internal Audit, and the Statutory Auditor evaluated the design and effectiveness of the internal control system. These analyses were presented to the Audit, Finance and Risk Committee, and it was concluded that it is functioning adequately.

Risk Policy

Grupo Argos has a Comprehensive Risk Management System (SGIR) that incorporates the analysis of the performance of the company and its businesses, to manage strategic and operational risks.

The company has a model focused on the quantification and analysis of risks, which allows prioritizing and managing them. For this purpose, different simulation methodologies, scenarios and sensitivity analysis are used to monitor risk management, which is discussed in the corresponding governance bodies.

The Risk Policy applies transversally to the entire business group and is complemented by a series of manuals and guidelines that frame the strategy, projects and processes, within the best standards of corporate governance and sustainability.
