Granting and registration of spin-off public deeds

Continuing with the Relevant Information notices regarding the progress of the Spin-Off Project implementation, Grupo Argos informs that today the registration process of the public deeds of the spin-offs of Grupo Argos and Grupo Sura was completed in the *Cámara de Comercio de Medellín para Antioquia*.

In this regard, after obtaining the required corporate and regulatory authorizations, all necessary legal activities for completing the spin-offs have been finalized. The next milestone in the implementation process is to carry out the operational procedure with Deceval for the book-entry registration, after which Grupo Argos shareholders as of the cut-off date will receive Grupo Sura shares according to the final distribution ratio and, in addition, their economic interest in the company will increase by more than 20%. Likewise, Grupo Sura shareholders as of the cut-off date will receive Grupo Argos shares.

Below are the main figures of the company, once the Spin-Off Project is implemented, calculated based on Grupo Argos' separate financial statements as of March 31, 2025, which are the latest financial statements that have been published, in approximate values:

	Figures in Colombian pesos	Number of shares
Assets	\$15,282,449,072,725	
Liabilities	\$3,274,276,033,521	
Equity	\$12,008,173,039,204	
Authorized capital	\$75,000,000,000	1,000,000,000
Subscribed and paid-in capital	\$54,933,708,675	732,449,449

Within 20 business days following the end of July, the company will report the final figures.
